

Churchill Lodge #351 & Internet Lodge #9659

Proudly Present

The Atlantic Brotherhood Summit

June 2nd – 5th

An unprecedented event in the history of the Grand Lodge of Minnesota, lodges from Minnesota and England are meeting in June to celebrate friendship across the wide Atlantic Ocean. We are proud to announce the Atlantic Brotherhood Summit, to be held here in the Twin Cities. The UK's global Internet Lodge #9659 travels annually away from their base in Manchester, UK to a foreign locale. This year, the Lodge is visiting Minnesota. We've planned an exceptional series of events with them for the benefit of all Masons. You are invited to join us by registering for one or more of these events.

Highlights include a St. Croix River sunset boat cruise, a barbeque dinner for lodge members at the home of MWB Andrew Rice, and a much-anticipated Festive Board to be held at the Minneapolis Club, following the first-ever exemplification of the English Masonic Ritual, "Emulation Working" in Minnesota, at the Minneapolis Scottish Rite Temple. A question-and-answer discussion will follow the degree exemplification, along with coffee, tea and a selection of English biscuits.

Some events will require a fee to cover expenses, which we have tried to keep as low as possible. The brethren of Sir Winston Churchill Lodge invite any regular Masons to join with us in this 4-day celebration of Masonic brotherhood, and hope you will join us in welcoming up to forty traveling English Masons who will be here June 2-5. Save the Dates!

This particular document is designed for local, US participants, and priced accordingly. Hotel and travel information is available on the main information page at www.ChurchillLodge.org. Or, if you wish, snap this QR Code with your smartphone to reach the website. →

The Radisson Plaza Hotel Minneapolis will serve as our base of operations, with transportation for registered guests provided by Churchill Lodge members, other Grand Lodge of Minnesota volunteers, and Eclipse Transportation.

At this writing, at least four of the Churchill Lodge brethren have agreed to open their homes to allow members of Internet Lodge to stay with them for the duration of the event. Let us know if you wish to offer your home for the same purpose. Jason Berger is coordinating this effort, jonberger@comcast.net.

We encourage lodge brethren and other interested Masons to take time to participate in any of these events. To register, please fill out and return the following page, to:
